The Daily Quote

"On the summer agenda for the House: several appropriations bills, defense and intelligence authorization measures, energy legislation and a bill to reform No Child Left Behind, according to a Friday memo from Majority Leader Eric Cantor (R-Va.). Of course, this isn't as easy as simply declaring a desire to move legislation. Passing bills is a muscle Congress hasn't flexed in recent years. Thus far in 2013, only 11 measures have been passed and signed by President Barack Obama. Compare that with 16 over the same period in 2011, 24 in 2009 and 28 in 2007."
